

To use SIMS from home follow these steps:

1. Open a browser and log into your virtual desktop by going to:
<https://vm.simsburyschools.net>
2. From within your virtual desktop open SIMS using the method you would normally use while in school. Examples:
 - a. A SIMS desktop shortcut
 - b. The “SIMS from school” link on the Simsbury schools website. Be sure you are using a web browser within your virtual desktop.

If you have difficulty accessing SIMS from home, please contact Ray Vernacatola:
